

## CIRCULAR

To : **All Concerned Clients, Consultants, Contractors, Green Building, Ship Agents and Third Party Agencies**

Date : 03 Sep 2019

Our Reference : **CEDGR-88**

Subject : **Release of Enhanced Trakhees Online Accreditation Services**

In line with Trakhees (TKS) commitment of continual enhancements of service delivery, TKS Civil Engineering Division (CED) is pleased to announce the launch of enhanced Online Accreditation Services.

Company focal point or assigned users of Business Clients can now register for New Accreditation Courses and seek all supplementary administrative services 'on behalf of the attendees' using enhanced Accreditation Online Services available under <https://online.trakhees.ae>. While the entire application follow-up can now be managed by the Company focal point or assigned users; the course attendees can exclusively focus on learning content published on the Accreditation website without any need to follow-up personally.

Additionally, in line with Dubai Paperless Strategy, Accreditation Cards and Certificate of Attendance will now be delivered as eCards/eCertificates thru secured electronic channels.

New Accreditation Services will be available online for public usage w.e.f. **Thursday, 19.09.19**.

For any related queries and support please write to [Trakhees.Accreditation@trk.pcfc.ae](mailto:Trakhees.Accreditation@trk.pcfc.ae) or contact 04-4485900/953/973.

Looking forward for your cooperation for successful implementation of the enhanced services.
