Circular

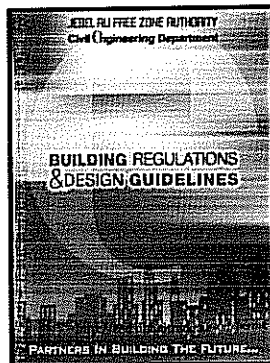

To: All Consultants & Contractors

Subject: Building Control Regulation and Design Guidelines

Our Ref Circular-08866/2006/PR

Date: 17th July 2006

We are pleased to inform you that the **Building Control Regulation and Design Guidelines – 4th** edition is now available at Civil Engineering Department Helpdesk. We strongly recommend all Consultants and Contractors undertaking projects in Jebel Ali Free Zone & all Business units of Nakheel to obtain a copy and follow the guidelines which now encompasses commercial, residential, recreational and industrial developments. Understanding and complying with the rules and guidelines would minimize delays and abortive works.

+

= Dhs 200

To purchase the book with the copy of the CD: first collect the payment receipt from Civil Engineering Helpdesk then pay AED 200 only, at our Finance Counter, Building JAFZA 14.

NAZEK AL SABBAGH
