## Regulation IO – 1.0: Scope

- 1.1 These regulations apply to all the companies and organizations establishing a facility in the Economic Zone World, the area falling under the jurisdiction of Dubai World.
- 1.2 Neither non-possession nor ignorance of these regulations will be considered a reason of non-imposition of a penalty for violation of these regulations.
- 1.3 These Regulations are issued to empower the TRAKHEES – Inspection Department to make and enforce Regulations to ensure safe and efficient operations within the client facility as well as in the area of Dubai World.
- 1.4 Nothing in these Regulations shall be construed as over-riding or contradicting to:
  - 1.4.1 The Laws of the UAE.
  - 1.4.2 Local Authority Regulations ( Emirate of Dubai)
  - 1.4.3 The provisions of international, national or regional regulations as applicable.
- 1.5 Nothing contained herein shall be construed as relieving the employer and/or employees of any organization from his/their responsibility for the safety of the operations/activity of the license(s) issued by relevant business unit of Dubai world.
- 1.6 Trakhees reserves the right at any time, to alter, change or amend any or all of the provisions contained in these Regulations with or without prior notice. All provisions of these regulations are based on almost functional requirements and do not encompass detailed dimensional and technical specifications.
- 1.7 The provisions specified in this regulation are mandatory. Also, all requirements placed hereunder shall be fully complied with wherever applicable and the ones contained in Appendices to these regulations are mandatory with relation to the principal matter to which they stand as requirements.
- 1.8 The provisions of these regulations shall be read in conjunction with other TRAKHEES Regulations.
