

ENVIRONMENT, HEALTH & SAFETY

Permit Section

CIRCULAR: EHS/Permit/03/2011

TO : All Concerned Contractors, Consultants - Dubai World Jurisdiction.
SUBJECT : EHS Training on Regulatory Compliance - Design & Development
DATE : 24th July 2011

Trakhees-EHS Permit Section have devised Design & Development Regulations with a view to help the clients under the jurisdiction of Dubaiworld to Design and construct their facility, which will

- Ensure compliance with Design and Development legislation
- Communicate principles of Design and Development rules to all concerned.
- Build a strong Partnerships between Trakhees-EHS and all Concerned Contractors, Consultants & Clients

To enable the above, Trakhees-EHS has introduced a **Training Program** which is “Mandatory” for all Contractors, Consultants to make them familiar with their roles and responsibilities, with regard to EHS Design and Development Regulations.

EHS therefore requires all contractors and consultants to make necessary arrangements to get themselves as well as their staff, trained and certified by Trakhees-EHS with immediate effect.

The program details are:

Duration : One Day (From 0800 Hrs to 1600 Hrs)
Venue : EHS Training Centre- Roundabout 11, Next to Westside Fire Station
Program Fee : AED 1210 per person which includes Knowledge fee AED 10
Date : Every 3rd week of the month (subject to availability of minimum 12 participants)
Payment : Either by **cash or cheque** at the Trakhees-EHS ,Near Main Gate , Jebel Ali or Trakhees Main Office, Zone 1, 1-A, 1st Floor – Dragon Mart, International City - Cashier Counter.

For further information please write to this email Shailesh.Amonkar@trakhees.ae – Contact # 04-8068817 or Cyrus.Shastrri@trakhees.ae – Contact # 04-8068824

Looking forward to seeing you at the training program

Yours sincerely

Senthil Kumar
