

**SAFETY CIRCULAR NO: 02 / 2012**  
**Date: 21<sup>st</sup> February 2012**

**TO :** All Business Units of Dubai World  
Project Managers, Consultants, Contractors

**SUBJECT :** Safety Supervisor Registration Scheme (SSRS)

EHS is pleased to announce the launch of a one day training program for eligible candidates to get registered under the Safety Supervisor Registration Scheme. All Project Managements, Consultants & Contractors working on the Dubai World Developments under the jurisdiction of Trakhees are hereby made aware of their obligation to comply with the requirements of EHS Construction Regulations. All modification works carried out within the jurisdiction of Trakhees; need to have a Safety Supervisor (as a minimum) till the completion of the construction activities at site. The successful candidates will be eligible to work as a Safety Supervisors only for the modification works in the area falling under Trakhees jurisdiction.

The registration form, procedures and flow chart are posted on our website [www.ehss.ae](http://www.ehss.ae) for your ready reference. All are advised to follow the requirements & the relevant procedure to get registered as a safety supervisor. Please refer the selection matrix CSF-04c as part of the SSRS's procedure for applicable modification works.

All the Dubai World Business Units are required to communicate the same to their clients / consultants / PMT's / contractors for necessary action.

Regards,

Senthil Kumar  
Manager - Permits & Construction Safety
